Additional Guests:

Please inform your hosts Gaile & Ben of any additional guests beforehand - whether overnight, all day, or whether or not the group is part of a larger event – we should be able to accommodate most requests given enough time in advance. However, if there are guests unaccounted for or not on the reservation, we will have to charge a minimum of \$30 per person, per day. Again, please reach out to discuss any additional guests before your arrival, particularly if you have NOT listed them on your reservation ahead of time. All guests must be accounted for in writing to hosts ahead of arrival (no exceptions or surprises). The best thing to do is contact your host with any questions about additional guests and whether they are “visiting” or “staying” with you. This way we’re often able to work together to assist (\$\$) with your guests and whatever needs that may arise with their arrival. For example our gates close at certain times- extra unauthorized guests will need permission to open our gate and bypass the alarm system. We take the safety of our guests, hosts, and community very seriously.

Additional Guest Fee: \$30 per day (if not listed on reservation)

Number of guests: _____ x \$30 per day x _____ # of days.

Ex. 3 guests at \$30 per day for 2 days is \$180 total, \$90 per day.

Pet Extras

All fees related to visiting animals friends go directly towards our animal rescue efforts. We have currently rescued several animals and hope to expand our rescue to accommodate more animals in the coming months.

We look forward to meeting your four-legged family members! If you have several pets, please reach out beforehand to discuss a potential discount. Due to the nature of our farm, we do request that all pets are leashed while on the property, and that you share a copy of your pet's vaccination records beforehand.

Additionally, all visiting animals will receive goodie bags from The Inn at Indian Orchards - we hope you enjoy the 100% organic food and treats that we give to our farm dogs & farm kitties as well. We look forward to meeting you and your furry family members. Call / text us ahead of time if you have any questions or if you would like to donate to our rescue mission.
